

# FAST FACTS ABOUT DAIRY

1. Dairy is based on **destruction of motherhood.**
2. **Calves taken away** from their moms at birth.
3. **21,000,000** dairy calves **killed** globally/year.
4. Male calves killed for veal. **Veal = dairy.**
5. **Mother's milk is baby food.** Humans have no need for breast milk past weaning, much less breast milk of other species.
